"You Are Never Alone"

MISSION

Yana Foundation owns and maintains these premises for the purpose of providing meeting rooms for A.A. related programs and other scheduled activities.

Organized by a group of dedicated individuals in 1977, the Yana Foundation now owns its own building and makes space available weekly to over 25 separate groups of Alcoholics Anonymous, Al-Anon Family Groups, and Adult Children of Alcoholics, as well as special groups conducting workshops in the furtherance of the stated purposes of the foundation.

The Yana Foundation is a non-profit 501 (C)(3) corporation and relies heavily upon the support and contributions of its membership. All donations are tax deductible.

From its small beginnings in 1977, the Yana Foundation has grown to a membership of approximately 200 individuals. Currently, over 1,000 persons a week are using the Yana Foundation facilities.

The work of the Foundation is carried out by an elected Board of Directors who donate their time and energy to further the expressed purposes, to maintain the facilities, and to plan for future growth and expansion.
